A vibrant, beautiful tree benefits our community for years to come and is a special way to memorialize your loved one. If you are interested in donating a memorial tree, please fill out the information below. Please allow 30 days from donation payment for a scheduled planting date. The donation amount for a memorial tree is \$150.00*. Your donation is tax deductible and must be paid at the time you submit the Memorial Tree Application. This donation will cover the purchase/planting costs of the tree and will help to educate and promote the City’s urban forest. Staff do their best to schedule a time to plant the tree with the family and friends of the dedicated memorial tree. Typical planting times are during regular business hours and during the spring and fall.

Maintenance

All memorial trees are subject to normal wear and the elements. This includes, but is not limited to, sun exposure, drought, high winds, heavy rain, irrigation overspray, herbicide/pesticide/chemical overspray. Maintenance staff maintain all trees to the same standard, but this does not guarantee good health for the tree. If a memorial tree has deteriorated to the point of needing to be cut down and removed, staff will attempt to contact the applicant to see if they would like to donate a replacement tree.
